Annual Report on the Working of the District Boards in the North-West Frontier Province for the year 1939-40

---

1. The number of members of District Boards decreased from 103 in 1938-39 to 102 in the year under report as Khan Bahadur Captain Nawab Baz Muhammad Khan, Member District Board, Kohat, was employed by the Defence Department and resigned. His seat has not been filled pending a decision by Government on the larger question of the holding of elections generally.

2. The number of general and special meetings of the District Boards held during the year, was 25 and 18, against 25 and 19, respectively, in the preceding year. The general percentage of attendance of members at the meetings as a whole was the same as last year, viz., 86. The Kohat District headed the list with 12 meetings. The average percentage of attendance of members of that Board at their meetings held during the year under report, viz., 89 per cent. also shows an improvement when compared with the figures of previous year, viz., 73 per cent. The number of meetings held by the Mardan District Board was 4 and was the lowest in the Province. The percentage of attendance of members of that Board also shows a fall from 95 in the preceding year to 86 in the year under report. No meeting of any Board was adjourned for want of a quorum. The Local Government had to suspend a resolution passed by the District Board, Kohat, as it was not in conformity with the provisions of the Education Code.

3. Besides the local audit conducted by the Comptroller's Office Staff, the offices of the District Board Peshawar, Bannu, Kohat and Hazara, were inspected by the Deputy Commissioners concerned. The Revenue and Divisional Commissioner inspected the offices of Peshawar, Mardan and Bannu Boards. Inspections revealed a far from satisfactory state of affairs, particularly in the Bannu Board.

4. The following activities are worthy of record :—

(a) The Government grant to District Boards for educational purposes has been increased by about Rs. 50,000. This has enabled Boards to open new schools, to convert many primary schools to middle standard and also to introduce English in many schools where only Vernacular was taught previously.

(b) A Veterinary Dispensary and a Civil Dispensary have been opened in village Chorlaki of the Kohat District.

(c) Two drinking wells have been completed in dry areas of Thall, at Chani Khel and Zarki Nasratti by the District Board, Kohat. A new Veterinary Dispensary has also been opened at Hangu.

(d) Silt clearance of wells and tanks and other sanitary and water supply works costing Rs. 2,558 were carried out by the District Board, Bannu, during the year under report.

(e) The District Board, Mardan, spent Rs. 14,434 on maintenance of District Board Roads.

(f) Drainage works costing Rs. 1,992 were constructed in certain villages of Mardan District.

(g) Water supply works costing Rs. 3,016 were financed by the District Board, Hazara, during the year under report.

(h) The District Board, Peshawar, spent Rs. 24,069 and Rs. 2,262 on Distrist Board Roads and repairs to water works at Ziarat Kaka Sahib, respectively.

(i) A new school building was constructed at Gul Bala, while extensions and repairs were carried out in various other school buildings.

(j) A sum of Rs. 2,667 coupled with Government grant of Rs. 3,000 was spent by the District Board, Peshawar, on subsidy bulls.

5. Public Health in general has been good all over the Province. In Kohat and Hazara Districts there were outbreaks of small-pox, but vaccination was undertaken on a large scale and the spread of disease was checked.

6. The total income excluding opening balance and the expenditure chargeable to current income were Rs. 16,45,887 and Rs. 17,17,135 against Rs. 16,77,970 and Rs. 16,69,272, respectively, in the previous year. This shows a net decrease of Rs. 32,083 in income. This fall in income is mainly due to the abnormal rise in the receipts of the Peshawar District Board during the previous year owing to the withdrawal of investments.

7. The net increase of Rs. 47,863 on the expenditure side occurs mainly under the heads "EDUCATION" and "MEDICAL". The increase of about Rs. 50,000 in the Government grant for education purposes accounts for the corresponding excess of expenditure on education, while the opening of four new dispensaries in the Peshawar District last year has resulted in the additional expenditure on medical side.

Percentage figures of expenditure under main heads towards the total expenditure incurred by each District Board are noted below :—

Name of the board	General Adminis-tration	Education	Medical	Scientific and other minor Depart-ments	Civil works
1	2	3	4	5	6
Hazara ..	2·3	74·7	8·3	4·5	8·2

Bannu ..	3·1	69·8	6·3	6·8	10·9
Dera Ismail Khan ..	3·8	67·9	7·5	6·5	8·1

8. The closing balance of the boards as compared with last year fell by Rs. 41,958, viz., from Rs. 4,16,528

to Rs. 3,74,570 as detailed below :—

Name of the board	1938-39	1939-40	Increase or decrease

Dera Ismail Khan ..	46,311	39,186	—7,125
Total ..	4,16,528	3,74,570	—41,958

Besides the above balance the District Boards of Hazara, Kohat, Bannu and Dera Ismail Khan, hold invested funds shown against them below :—

Serial No.	Name of the board	Invested Funds
		Rs.
1	Hazara ..	2,40,200
2	Kohat ..	45,000
3	Bannu ..	12,200
4	Dera Ismail Khan ..	30,000

The Hazara Board is being encouraged to spend some of its large invested funds.

9. It is regrettable that the efficiency of District Boards has been adversely affected by the elimination of the official elements. But it is hoped that there will be an improvement as members gain administrative experience.

W. F. CAMPBELL,
Adviser to His Excellency the Governor,
North-West Frontier Province.

Dated the 6th September 1940.

W. E. LEEPER,
Secretary to Government,
North-West Frontier Province,
Development Departments.
